

QUALITY POLICY- Kementec Solutions

We at Kementec Solutions are committed to meeting our customers' needs and expectations, by developing, manufacturing and supplying products of the highest level of quality.

This is achieved through our Quality Management System that ensures that our customers' requirements are met by:

Complying with all applicable internal requirements, regulatory requirements and the requirements of the ISO 9001:2015 Quality Management Systems Standard.

Continuously improving the Quality Management System, process efficiency and customer satisfaction.

Sustainable solutions, in development and production, without compromising on quality or performance.

Commitment of each individual employee to ensure the quality of his / her work, as a part of the overall quality of the company.

Top management guarantees, that our commitments to quality and compliance with all applicable requirements, are promoted throughout the whole organization.

Adding value by delivering high quality products and services to our customers is the basis for our current success and we are proud that this leads to making our customers positive ambassadors for Kementec Solutions.

Henrik Christensen
