

# Change Notification

Date: 01-OCT-2025

Change Control Number: CC0105

Change Notification Number: CN0090

Description of change:	<p>This change reflects an adjustment in how we communicate about animal components in our products. We will no longer refer to products as "Animal-free" but will instead emphasize those that are "Animal by-product-free (ABP-free)". A step in this conversion is to change the names of the products listed below:</p> <p>Effect Diluent Low, Animal-free (Cat. No. 7070) Effect Diluent Medium, Animal-free (Cat. No. 7080) Effect Diluent High, Animal-free (Cat. No. 7090) Effect Diluent Kit, Animal-free (Cat. No. 7095)</p> <p>To the following:</p> <p>Effect Diluent Low (Cat. No. 7070) Effect Diluent Medium (Cat. No. 7080) Effect Diluent High (Cat. No. 7090) Effect Diluent Kit (Cat. No. 7095)</p>
The following will be changed:	As a result of this change the corresponding CoA's, MSDS's and Instructions & Specifications will be updated to reflect the new names of the Effect Diluent products.
Implementation date/lot number:	The implementation date for this change is: 02-FEB-2026
Additional Information :	<p>It is important to emphasize that the products themselves remain unchanged. Only the product names are being updated, while they continue to be free from animal by-products. We also offer several other solutions that are animal by-product-free.</p> <p>This change has been partially implemented. Customers may still receive products labeled with "Animal-free" until existing stock is depleted.</p> <p>For further information please contact <a href="mailto:support@kementec.com">support@kementec.com</a> or visit our website <a href="http://www.kementec.com">www.kementec.com</a></p>
